

**CONSTRUCTION UPDATE – 6 MARCH 2020**

Cicada Innovations are undertaking some routine maintenance of the façade of their building. These works will include sandstone coping, repair works to external brickwork and roofing, and repairs to windows.

To facilitate these works the motorcycle parking at the northern end of the National Innovation Centre (NIC) will be relocated approximately 25 metres west of the current location (see map attached).

**What to expect:**

The routine maintenance works are minor and will not create significant disturbance to neighbours.

For the duration of works all motorcycle parking at the northern end of the NIC building will be relocated 25 metres west of the current location (see map attached).

**Work duration:**

Scaffolding will be erected from Monday 9 March, with works to continue until Wednesday 15 July 2020.

If you have any questions or concerns, or if you require more information, please contact the **Project Manager Ben Macoun on 0410 268 068**, or the South Eveleigh Communications and Engagement Team at [south.eveleigh@mirvac.com](mailto:south.eveleigh@mirvac.com) or **1800 870 549**.

Kind regards,
