

CONSTRUCTION UPDATE – 18 APRIL 2018

This notification is regarding work scheduled to take place on Saturday to the Building 3 site. This work is to install pre-cast concrete to form the structure of the building.

What to expect:

Central Avenue footpath will be closed from the corner of Davy Rd and Central Avenue to the Eastern side of the Biomedical building during the pre-cast and counter weight lifts.

There will be exclusion zones and traffic changes in place on Central Avenue throughout the day. Access to loading docks and carparks will remain, under instruction from traffic control.

Work duration:

The works are scheduled to be completed on Saturday 21st April. Progress could potentially be delayed due to unforeseen circumstances, such as inclement weather.

If you have any questions or concerns, or if you require more information, please contact me at atp.communications@mirvac.com or call 1800 870 549.

Kind regards, Kim
